

LONDON HYDRO

ONTARIO ELECTRICITY REBATE (OER) SELF-DECLARATION FORM

This form is used to self-declare eligibility for the OER for account types which exceed the automatic OER eligibility thresholds such as billing classification of less than 50kW or annual use of less than 250,000 kWh.

If your account is standard residential, general service less than 50 kW (small commercial, small multi-unit residential), or registered farm or long-term care home then you receive OER automatically.

SECTION 1: Applicant Contact Information

Please provide the details of the authorized applicant submitting this form.

Applicant Name (Print)

Applicant Role/Title

Contact Phone Number

Contact Email Address

SECTION 2: Multi-Account OER Declaration Table

List all accounts that require OER self-declaration. Use the codes provided below for column 3 – OER Qualification Code

#	Account Number	Service Address/ Meter ID	Qualification Code	Total Units	Qualifying Units
1.					
2.					
3.					
4.					
5.					

If more accounts are needed, please attach a separate sheet in the same format.

Code Definitions for Section 2

Code	Description
CE	Common Elements (CE) – Account relates to the common elements of a multi-unit complex that meets the two-unit minimum and 50% qualifying unit criteria.
FRM	Farm (FRM) – Account relates to a licensed farm. A farming registration is required for this declaration.
MHP	Mobile Home Park (MHP) – Account relates solely to a residential mobile home park.
MUC	Multi-Unit Complex (MUC) – Account relates to a predominantly residential complex that meets the two-unit minimum and 50% qualifying unit criteria.
RR	Retirement Residence – Account relates to a retirement residence (not a long-term care home) that meets the minimum occupancy requirements of 50% permanent residents aged 65+).

SECTION 3: Certification and Submission

Applicant Certification

I hereby certify that the information provided in this notice is true, complete, and accurate, and that each account listed meets the eligibility criteria for the Ontario Electricity Rebate (OER) on the date of submission.

I understand I have a responsibility to notify London Hydro in writing within ninety (90) days if any of the accounts cease to meet the OER eligibility requirements.

I consent to London Hydro providing the Minister of Energy, Northern Development and Mines with the account name (if not an individual) and the eligibility status of the account.

Processing Note – London Hydro will process this form within 10 business days of receipt. The OER if applicable, will be applied starting from the earliest possible date based on OEB regulations. Forms received will be eligible for the OER on future bills only and will not be adjusted retroactively. In addition, we will not adjust previous billing due to delays in processing that are the result of missing or inaccurate information on the form.
